EXPERIENCE

CHAMPtitles

Cleveland, OH

Software Developer

July 2022 – March 2024

- Built responsive websites for state customers (West Virginia, New Jersey) using semantic HTML5, TypeScript, JavaScript, ReactJS, and CSS
- Created extensive unit tests for existing processes using Cypress and JestJS, ensuring that code remained maintainable for all developers
- Utilized GitHub for version control to manage code repositories, track changes, and collaborate effectively with team members
- Managed task progression using Jira, effectively participating in sprint planning and agile development cycles to ensure timely delivery of features and improvements

Whitney R. Harris World Law Institute

St. Louis, MO

Research Assistant

Summer 2020 and 2021

- Researched history of WHO's response to pre-COVID epidemics and declarations of Public Health Emergencies of International Concern
- Translated press releases of the Russian and Uzbekistani Foreign Ministries from Russian to English
- Contributed to establishing protocol by which the organization continued to function remotely during the COVID lockdowns

Sabertooth Strategies

Charlottesville, VA

Political Consulting Intern

Summer 2018 and 2019

- Researched local issues and summarized demographic information for state legislative candidates
- Evaluated, identified, and recommended issues and demographics for campaigns to focus on
